

Lip Balm Tube Dieline Template

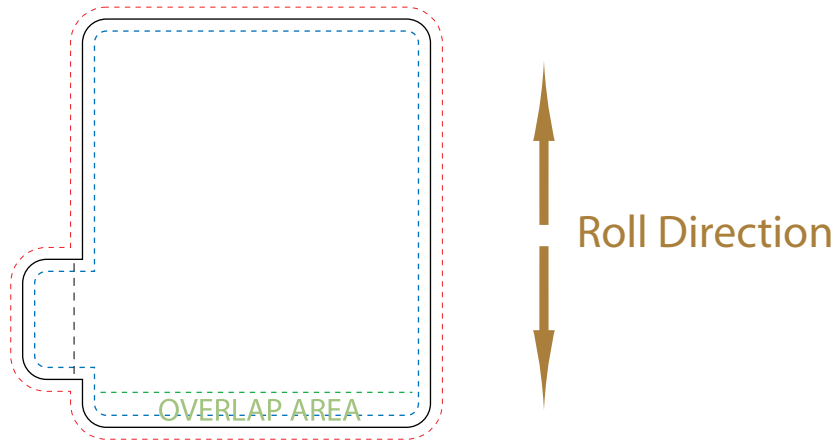

Black line represents the finished label after die-cutting.

Red line represents minimum bleed of .0625" (1/16") on all sides. Background must extend to this line.

Blue line represents clear zone of .0625" (1/16") inside dieline. All text and images must be within this line.

The green "Overlap Area" shows the part of the label that will be hidden when applied to the lip balm tube.

This area can be used for information such as product numbers, etc. that can be helpful prior to application.

Dimensions: 2.125" x 2.125"
